Letter from the President

Greeting Fbg Zontians,

As I watch festivities on TV for Veteran's Day, shedding a tear here and there, I got this great email from Lindy Segall that sums up what serving our country is all about. And it points out once again that you never know who you will impact, one voice at a time, one person at a time, one touch at a time.

The WASP recognition plaque was a dream, that not only came true, but with timing that it was up on the wall at the Nimitz for their Veteran's Day Ceremony. I will let Lindy tell you in his words, how that plaque has already touched lives:

Paraphrased from Lindy: "Thanks for the best Veterans Day ceremony ever (and I've attended my share). Was proud to raise my hand as a member of the Nimitz Foundation. A quick story...Vicki Taylor and I were seated down the row from a young woman who rose when the Air Force song began to play. I looked for her at the close of the program, but she'd disappeared. Sometime later, I spotted her on the other side of the courtyard headed toward Main Street with her family. I caught up with her and asked if she would walk with me to see the newly installed WASP plaque. She and her grandmother agreed...and both were overwhelmed when we arrived. She had mustered out (retired) from the Air Force only two years before. I gave her my card, asked her to stay in touch so we could invite her to the dedication ceremony. Her grandmother gave me a big hug. And they left arm in arm."

Thanks to Lindy for inspiring yet another soul, in honor of his mother, a WASP, who was a WW II inspiration. ZCF is fortunate at this Thanksgiving to have so many impactful projects like this one. We are blessed to have each other to love on, and I am so thankful to be in this club.

One love at Thanksgiving,

Liz Wunderlich 2024-25 President

16 DAYS OF ACTIVISM AT THE 65TH HISTORIC HOME TOUR

ZCF sister Vicki Fulbright hosted her parent's home at 213 E. Creek for the 65th Annual Fredericksburg Historic Home Tour November 23rd. To allow visitors a place to rest, chairs were placed outside on the driveway after exiting the home. A side table served as the first placement for our information placards!

"This is not a time when women should be patient. We are in a war and we need to fight it with all our ability and every weapon possible. Women pilots, in this particular case, are a weapon waiting to be used."
